Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner of Patents and Trademarks

The communication in Paper # 9, filed on 4/3/02, is non-responsive to the prior office action, mailed 12/28/01, for the following reasons:

In the communication filed 4/3/02, applicants requested to consider claim 24 as being dependent from claim 17. Consequently, claim 24 belongs to the invention of Group II, which is non-elected and not under consideration. Thus, the response to the election of species requirement is considered non-responsive because the species elected does not belong to the elected Group I.

Since the response appears to be bona fide, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is required to complete the response within a time limit of ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this letter, whichever is longer, or as extended as follows. AN EXTENSION OF THIS TIME LIMIT MAY BE GRANTED UNDER EITHER 37 C.F.R. 1.136(a) OR (b) UP TO A MAXIMUM OF SIX MONTHS.

Papers related to this application may be submitted to Technical Center 1600 by facsimile transmission.
